Julland Beef Calf Club Meets at Silles' Farm

There was a good turnout of nine members and ten visitors at the meeting of the Julland Beef Calf Club held at the home of W. E. Silles on Saturday. After judging a class of calves and heifers at the barn the members returned to the house where Lois Silles gave a paper on Showmanship, and Ronnie Devolin discussed common ailments of calves, blood and lump-jaw.

Mr. Charles Yauch, principal of the Olds School of Agriculture, invited the members to come and see the school, and discussed the course for those who intend to go to the school at some future date.

It was decided to hold a concert and box social to raise prize money, at the Mountain View Hall on March 10, if the hall is available. The next meeting will be held at the home of Bud Tighe.

DIDSBURY BREEDER IS JERSEY CLUB DIRECTOR

N. Reid Clarke, Didsbury, Alta., was elected by mail ballot to represent the prairie provinces on the Canadian Jersey Cattle Club.

The B.C. director will be elected at the annual meeting scheduled for Vancouver February 15—Market Examiner.

W.M.S. MEETING

Owing to the inclement weather only eight members and friends gathered at the home of Mrs. Ed Ford for the monthly meeting of Knox United Church W.M.S. Mrs. J.W. Bainbridge took the Devotional and Mrs. J. Wordie the study.

The next meeting will be held on February 20, at the home of Mrs. C. Thompson.

Pictures Taken of Five Generations, All Girls

Mrs. Ed. Klinek, Mrs. Ernie Walker, and little "Beth" Walker went to Hiedley, B.C., on Friday, January 20th, and returned Tuesday, January 24th. The purpose of the trip was to have a five-generation picture taken.

The trip was made both ways by plane, going from Calgary to Penicton and return. The plane ride was thoroughly enjoyed and the travelers are of the opinion that it is the only way to travel. The return trip from Penicton to Hiedley was made by car.

The five generations are all girls and include Mrs. Susan Brewer, her daughter Mrs. Elizabeth McLeod, the latter's daughter, Mrs. Helen Klinek, her daughter Mrs. Betty Walker, and Mrs. Walker's five months old daughter, Elizabeth Jane.

Mrs. Brewer, the great great grandmother of little Beth, was 88 years old last November. She still waits on herself and even makes her own bed. She spends her days tending, rugs and reading.

There can be two more five-generation pictures taken in this family. Mrs. Klinek's sister, Mrs. Ethel Sinclair of Portland, Ore., has a son and daughter both married, and each has a baby, one five months old, and the other one year and five months old.

Annual Meeting of Municipality Feb. 18

A notice elsewhere in this issue sets forth the date of the annual meeting of the Municipality. District of Mountain View No. 49, which will be held in the Lions' Hall, Didsbury, on Saturday, February 18, commencing at one o'clock.

The Returning Officer, George Young, will receive nominations for Councillor and Hospital Representative on the same afternoon, between the hours of three and four o'clock. This year the retiring Councillors are Mr. H. J. Goetjen in Division 1, and Mr. W.H. Metz in Division 5.

Retiring Hospital Representatives in the Olds Municipal Hospital District are Earl B. Dodd in Division 1 and F. J. Niddie in Division 1. The retiring Hospital Representative for the Didsbury Municipal Hospital District is Alex Robertson in Division 2.

January Meeting of Bancroft Buttercups

The Bancroft Buttercups held their monthly meeting at the Thompson girls' home on January 21 with fourteen members present.

The roll call was answered by both Seniors and Juniors telling how they spent New Year's Day.

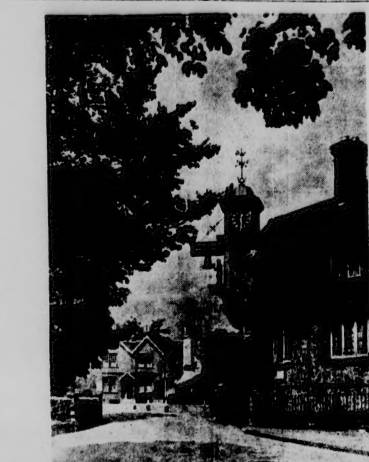

Objective for Seniors and Juniors was for each member to bring one colored picture of some Alberta bird for the scrap book.

It was decided that the Club write a history of all its members. Eileen Neumiller was elected the chairman of this committee.

Betty Neumiller was in charge of the program which consisted of a raffle and contest. Eileen Richardson won the raffle.

The next meeting is to be held at the McCulloch girls' home on February 18.

After the meeting a delicious lunch was served.

The village of Abinger Hammer lies along the road between Dorking and Guildford in Surrey, England. Many travellers will remember the quaint little clock which projects over the roadway on entering the village. The clock, with a figure of a smith complete with hammer which strikes the hour, is

NOTES FROM WEST

Despite the cold weather, Elkton hockey team travelled to Crossfield on Thursday evening, winning 4-0.

Mr. and Mrs. Arnold Hogg were supper guests with Mr. and Mrs. L. Parke on Sunday.

Mr. and Mrs. Albert Krebs spent Sunday with Mr. and Mrs. C. Russell.

Mr. and Mrs. O. Thompson and Mrs. O. Krebs attended the Ice Skating in Calgary on Saturday.

Mr. and Mrs. C. Byrt and family were supper guests with Mr. and Mrs. Glen Evans on Sunday.

Congratulations to Mr. and Mrs. Vic Snyder Miller, his boy.

Mrs. G. Befus visited with Mrs. P. Luft on Sunday afternoon.

Elkton goes to Cremona on Tuesday evening to play off for first place in the hockey league.

Mr. and Mrs. L. Krebs were supper guests with Mr. and Mrs. O. Thompson on Sunday.

Congratulations to Mr. and Mrs. J. Wright—it's a girl.

Mrs. O. Krebs and family were dinner guests with Mr. and Mrs. J. McCulloch on Sunday.

The Rugby W.I. held a whist drive at the home of Mr. and Mrs. A. Cowitz on Monday evening. Seven tables were played with honors going to Mrs. H. Luft and Mr. L. Cowitz.

High School Team Loses To Innisfail

Last Wednesday the Didsbury High School Beavers played the Innisfail Intermediate hockey team in the local arena. The good sized crowd on hand was treated to one of the smartest and cleanest hockey exhibitions seen here for a long time, and while the Innisfail players outweighed the Beavers by possibly 40 pounds per man, the team play and skillful passing and stick handling by the Beavers made the contest equal enough for a splendid game.

Innisfail, sparked by Tedeschini, McGibbon and Mayhew, lead the scoring until early in the third period when the Beavers tied the score to read 3 all. Beavers first goal was scored by Gilfrie from Ginther, the second by Morris unassisted, and the tying goal by Miller from Barrett. Innisfail went ahead soon after, scoring twice to end the game 5-3 for the visitors.

To Play Olds Here Friday

On Friday of this week the Beavers will meet Olds High School for their third game of the series. The Beavers won the first game and Olds the second. Olds and Didsbury are also tied for first place in league standing. The traditional rivalry between these two towns should make Friday night's game well worth seeing.

The Beavers have been drawing bigger crowds to each game and with a break in the weather we should see the arena filled on Friday, February 3, for this critical game.

the only reminder to the general public that in olden days the village had its own iron industry. Inscribed on the side of the clock is a motto for users of the road "By me you know how fast to go", which can easily be seen when entering the village.

Horse Rustlers Caught In Westerdale District

Two horse rustlers attempted to make off with a couple of horses of Mr. A. Martin of the Waterside district on Monday morning. After being seen travelling through this district the Olds R.C.M.P. detachment was notified and the culprits were caught at Doug Landeen's, where they had stopped for dinner.

The Working Workers Society held a miscellaneous shower at the home of Mrs. W. Herbert last Tuesday afternoon to honor Miss Audrey Bradford, bride-elect. Sixteen members and friends were present. Entertainment Mrs. S. Jackson conducted three appropriate contests which were won by Mrs. D. Herbert, Mrs. V. Eiggins and Mrs. F.J. Jackson.

Little Eleanor Schrader and Dale Bolton, handsomely dressed as a bride and groom, brought the gifts in to the honored guest in a nicely decorated in pink and white. Miss V. Eiggins assisted in opening the gifts. Audrey then thanked her friends for their many gifts.

A delicious lunch brought a pleasant afternoon to a close.

Mrs. W. Herbert and Mrs. F. Herbert were co-hostesses to an enjoyable evening of whist held at the former's home on Monday evening when six tables were in play. Top honors went to Mrs. T. Bolton and Mr. F. J. Jackson, while consolation went to Mrs. C. Rothe and Art Jackson.

A very large crowd of friends and well wishers attended Mr. and Mrs. Bill Novacek's wedding dance held at the hall last Friday evening. After the supper hour Mr. K. Rowell presented the happy couple with a purse of money from the crowd and district, and also extended congratulations and life-long happiness.

Prize Winners in the Local Ladies' Bonsel

Rinks from a number of neighboring towns, as well as Calgary, took part in the Bonsel of the Didsbury Ladies' Curling Club here last week and many interesting and close games were played.

Following is the list of prize winners:

J.V. Berscht & Sons Events
Mrs. A. Lundgren, Innisfail.
Mrs. J. Stevens, Crossfield.
Mrs. Eisner, Calgary.
Mrs. K. Platz, Didsbury.

Calgary Power Ltd. Events
Mrs. Dichrow, Eagle Hill.
Mrs. M. Muech, Carstairs.
Mrs. Bill Payne, Didsbury.
Mrs. L. Trench, Didsbury.

Premier Laundry Events
Mrs. A. Shannon, Didsbury.
Mrs. D. McCoy, Didsbury.
Mrs. E. Wood, Didsbury.
Mrs. M. Esler, Didsbury.

Consolation:
Mrs. Fletcher, Aldrie.

PEACE RIVER HEALTH SUPERVISOR TELLS OF TRIUMPHS OF NURSE WILSON IN NORTH

The following account of the dip-

ther epidemic in the north has been related in a letter to Mr. Morris Wilson from Miss A. Bond, the Peace River Health Unit Supervisor, about Miss Amy Wilson, who is nursing in the north under Canadian Welfare.

I have just returned to civilization after spending two very interesting and enjoyable weeks with Amy in as primitive a spot as one could imagine. Having no idea what she has told you about her present assignment, I'll start at the beginning and give what I know of the story.

She had just nicely got settled in her routine work from Whitehorse when word of an outbreak of a serious throat ailment was received at Ft. St. John, and poor Amy was sent post haste. She arrived by plane at Ft. St. John on December 17 and that same day started out with an Indian Agent and his pride and joy—a power wagon—to attempt to crawl into this isolated district over a pack trail. She had a very miserable two and a half day trip, traveling the 150 miles into the Hailway Valley, where these Indians were dicing, 100 miles of which was good highway. Even so the last 20 miles she made on her own while the agent floundered around with his useless vehicle, all in spite of the weather. When she did arrive at this Indian camp, called the Stoney River Band, she found everyone down with diphtheria. Four had already died and there were at least ten desperately ill.

It happened with complete lack of facilities—some of the Indians are in teepees, no floors or blankets—she had her hands full trying to keep the rest alive. It's hard to picture such primitive people living among us. Of all the cabins I've seen, two had hand-newn log huts—none had more than one room, no beds, no dishes, and because of illness no fuel or food in camp. Not a pleasant prospect for our nursing conditions. That part of the job, however, is what she excels in and for my part I can honestly say she pulled most of them through with sheer will power.

Base camp was situated two and a half miles down the mountain slope where a white man had a trading post. This camp handed his quarters over to Amy and when the agent and his wench man and power wagon arrived they moved in, too. Here she was expected to cook and clean for the teamster (who took her to and from the camp daily) and the other three men.

The building, a filthy one room rat-infested store house, gave no privacy, but she was given the only bunk the dwelling boasted, where she'd shiver all night for it was in the corner of the room and the logs on both sides had lost their chinking. Sanitary conveniences were completely lacking unless one could call a fallen down stable 500 yards away a convenient place.

As soon as the power wagon limped into camp they had radio contact with the outside world. The RCAF dropped additional medical supplies and efforts were made to make a short landing strip near the trading post long enough for a single engine ski plane to land with additional food.

The landing strip was ready on December 23rd and a pilot hired to attempt to land, but a snow storm stopped the flight. By this time I was getting very worried about Amy's welfare and prevailed upon the pilot and the local Indian Department doctor to let me fly in with the pilot and the Christmas dinner. On Christmas Eve we took off for a lucky landing on this pocket handkerchief strip of a field beside the store. My it was nice to see her cheerful smiling face.

From then on we shared the tasks and the good and the bad things as they came along and another nurse can quite often turn a bad situation into one with laughs. I had taken in a full course Christmas dinner complete with Christmas candles which changed the gloomy atmosphere to one of festivity, and after cutting a tree and decorating it with the most unusual and unique Christmas decorations such as snows tin lids and aboriginal carved pieces of tusk, paper and a star made out of rabbit snare wire, we all felt that our Christmas spirit was probably far superior to many others in more civilized areas.

The old homesteader who owned the trading post was most touched. It was his first celebration in 30 years. He placed a pair of moccasins on the tree for each of the nurses. The teamster, another bachelor, was quite misty eyed when the plum pudding arrived. After the dinner Amy entertained with the grand old songs and her accordion. We all sang ourselves hoarse and I sprained an ankle trying to dance with the very rusty men on a floor with cracks wide enough to fall through.

(Continued Next Week)

Snow Plow Opens Up Blind Line Tuesday

A stiff breeze Monday evening filled in the roads, but we saw the snow plow out bright and early Tuesday morning on its way into town along the blind line. It was followed by the school bus and a car or two and we hope they made it in time for school. The milder weather that accompanied the wind was very welcome.

Mr. and Mrs. Jack Richardson and family of Redwater arrived Friday to spend a few days at the home of Mrs. Richardson's parents, Mr. and Mrs. E. Dupont Sr. August Krebs returned home from the hospital last week and is feeling pretty well again.

Mr. and Mrs. Elmer Cowitz went to Calgary Saturday evening to attend the wedding of Mrs. Cowitz's niece.

Walther League Will Present One-Act Plays

The Redeemer Lutheran Walther League will present a program of four one-act plays in the church basement on Thursday, February 9, at 8 p.m. The first, "Buenos Aires' Tort-Iron" depicts Isaac Blumentstein and his helper Levi in their second hand clothing store. "Not a Man in the House" shows that even the best laid plans of women come to naught.

What happens when school children, especially boys, play hockey from school is portrayed in "Wildcat Willie Gets Brain Fever." The last of the plays is a rollicking bit of fun entitled "Proposals," and should be of special interest to bachelors and shy men.

A total of 22 Leaguers take part in the four plays, which are presented with the idea of giving some Leaguers a try out for the feature play that the League will present later this year.

January Meeting of The Cremona Institute

The January meeting of the Cremona Women's Institute was held at the home of Mrs. J. Whitlow with ten members and one visitor present. The meeting opened with the singing of the Canada, and repeating the Creed.

The minutes of the annual meeting and the executive meeting were read and adopted.

The 1950 handicraft list was read and discussed.

A delegate is to be appointed at the February meeting to attend the Conference in Red Deer in March. The Institute made plans to have a dance on March 17th to raise funds.

It was decided to send a get-well card to every sick person in the community. Another decision was to send baby blankets to the new twins at Cremona.

Mrs. Schurz was the speaker and had as her topic "Social Service," which was enjoyed by all. The raffle conducted by Mrs. Whitlow was won by Mrs. Sampson and netted \$1.25 for the flower fund.

At the close of the meeting a delicious lunch was served by the hosts.

.. PRINTING ISN'T PACKAGE GOODS

- **YOU CAN'T** just reach up and take it off a shelf or rack.
- **IT TAKES TIME** to produce good printing, and a good newspaper.
- **AT THE PIONEER** we try our hardest to apply printing skill and modern machinery so that good work can be produced quickly. But it does help if we can have a reasonable allowance of time.
- **YOUR ORDERS** for printing are always appreciated. And if speed is of the essence we bear down.
- **YOUR NEWS ITEMS** and advertising orders are always welcome, too. The earlier in the week the better. We do turn out a whole lot of type those last hours before the final press run every Tuesday—but it helps considerably if copy comes into the office early. By "early" we mean Thursday, Friday and Saturday, and not later than Monday evening if you want to catch the current edition.
- **THANKS** for reading.

YOUNG PEOPLES' UNION TO CONDUCT SUNDAY SERVICE AT KNOX UNITED CHURCH

On February 5, the members of the Knox United Church Young Peoples' Union are conducting the church service commencing at 7:45 p.m. The guest speaker will be Mr. Max Rae of Calgary. Mr. Rae is the advisor for the Southern Alberta Conference Young Peoples' Executive.

Did you know that the Young Peoples' Union is a nation-wide organization? It is only strong so long as each link in its local, presbytery, conference and national—does it work efficiently. The Young Peoples' National Council is held every four years and it will be held this year. It takes money to carry on the work of the National Council, which provides material for interesting and educational programs for unions all across Canada. This year a special campaign is being held to finance the travel pool and send representatives from all over Canada to the National Council.

Following the church service, a Fireside Hour will be held in the church basement, to which all young people are cordially invited. Members of the Southern Alberta Conference executive will be present and the Young Peoples' Unions from Carstairs all have been invited to share in the fellowship.

ARENA SCHEDULE

Wednesday, February 1 —
8:30 p.m.—Intermediate Hockey Game, Banff vs. Didsbury.

ing at 8:00 p.m.
Dayvantage school: Sunday school
and service each Sunday, 10:45 a.m.
A friendly invitation to everyone
to come and worship with us.

WESTCOTT ITEMS

(Week Ending January 21)
Mr. Herbert Goetjen was very
glad to get back home after being
at Chilliwack, B.C., for the past
two weeks. He said all we had
heard over the radio and read in
the papers about B.C. storms were
all very true and those people are
having to endure untold hardships
because that country isn't prepared
or equipped to combat such ele-
ments of nature. Incidentally his
father's burial had to be put off
indefinitely, which was another
hardship we rarely have to en-
counter here—all because of mam-
moth drifts.

Mr. and Mrs. Bernal Reinhart
and Linda of Sundre spent the
weekend with Mr. Reinhart's par-
ents, and on Sunday they were in
the party which visited with Mr.
Chas. Stuart out in the west
country.

Mr. Leonard Papke and Mr. Arn-
old Hogg of Elkton had dinner
with Mr. and Mrs. Herbert Goetjen
on Wednesday last.

Mr. Herman Roedler of Carstairs
was also a visitor at the Goetjen
home on Wednesday evening.

Mr. Wilbert Berscht who was em-
ployed at the H. Goetjen home
during the latter's absence, left
on Sunday for Nanton, Alberta.

Mr. Don Reinhart accompanied
his father, C. Reinhart, to Calgary
on Monday, where Mr. Reinhart Sr.
had x-rays taken, as advised by
his doctor. We are glad to report
Mr. Reinhart's condition is not
serious.

The crowd that was in attend-
ance at the skating party on Fri-
day evening last was small and
we were glad to see those from
Elkton out. We all hope that this
awful cold weather soon ends as
many of those who usually come
out and enjoy skating, etc., will
feel they can't take it and so must
stay home.

Miss Buelah Klinek, who under-
went an appendix operation, is
doing nicely and expects to be
home soon.

Victor Nevada has been on the
sick list and absent from school
this past week.

Miss Buelah Klinek, who under-
went an appendix operation, is
doing nicely and expects to be
home soon.

Victor Nevada has been on the
sick list and absent from school
this past week.

this past week.

MOUNTAIN VIEW

(Last Week)
Mr. Glen Fulkert visited with
his son-in-law and daughter, Mr.
and Mrs. Alfred Morasch, Thurs-
day and Friday of last week.

Last Tuesday evening Mr. and
Mrs. Otto Bittner, Mrs. Barney El-
liott, Mr. and Mrs. Lawrence Hunter
and Mrs. Worrall met at the W. E.
Stiles home to make up the pro-
gram books for the Women's Insti-
tute. The men enjoyed a game of
cards.

Mr. and Mrs. Wm. Bruce had as
their dinner guests Sunday, Mr.
and Mrs. John Brander and Sheila
of Langdon, and Mr. John Bruce
of Olds.

Mr. Ed McNeil has been a bache-
lor for the past week while Mrs.
McNeil has been staying with the
Charles Kohut children while Mrs.
Kohut is in the hospital.

Mr. and Mrs. Orville and family
were Sunday dinner guests with
Mr. and Mrs. Loyal Snyder and
family.

Mr. and Mrs. Basil Atkinson
visited Sunday afternoon with Mr.
and Mrs. Garnet Tighe.

Miss Margaret Atkinson and Mr.
Lyle Shultz of the Olds School of
Agriculture were visitors at their
homes over the week end.

Mr. Ed Blain of Didsbury, former-
ly of this district, is a patient in
the Didsbury hospital.

Mr. and Mrs. Otto Bittner, Mr.
and Mrs. David Pratt, Mr. and Mrs.
Booker, Mr. and Mrs. Arthur Gob-
bers and Mr. and Mrs. Edward Stiles
gathered at the home of Mr. and
Mrs. James Worrall Friday evening
while the ladies started making
the Scrap Book on Alberta, which is
to be sent overseas by the Insti-
tutes.

FALLEN TIMBER

(Last Week)
Mrs. Joe McGaffin, Gordon and
Anne Marie, spent the past week
with Mrs. Bill McGaffin in Dids-
bury. We are sorry to hear Anne
Marie had her head scalded.

Mr. and Mrs. John Cooper and
Messrs. Glenn, James and Keith
Cooper, were Didsbury visitors
Saturday, staying for the show in
the evening.

Mr. and Mrs. J. A. Howton spent
the week end at the home of Mr.
and Mrs. Bob McGaffin in Didsbury.

We hear that Mr. W. Fyten has
gone to Montana on business.

Mr. and Mrs. Alex Moore of Ber-
gen were supper guests at the
home of Mr. and Mrs. J. Howton
last week.

Mr. Bonnie Mullens had the mis-
fortune of running in the ditch
near Ray's Ceyrons. He tore Ray's
culvert right out, but no one was
hurt and the car was only slight-
ly damaged.

It has been so cold that the regu-
lar meeting of the Busy Bees has
had to be postponed twice. How-
ever, we hope this extreme cold
spell will moderate soon. The next
meeting is to be held at the home
of Mrs. L. Wannamaker on February
1st.

School has been continuing de-
spite the cold weather. However,
some of the children from a dis-
tance have had several holidays.

It is a crime how poorly the schools
are built to withstand cold weath-
er. The local school has such a
poor heating arrangement that a
fire cannot be left overnight. Con-
sequently the school never really
gets warm these days. The janitor
does her best to have the fire on
long before school starts, but it is
too cold to help a great deal. Surely
something could be done to im-
prove our schools!

We are glad to report that Grand-
ma Johnston is feeling quite well
now.

Jack Wannamaker is working
for McMullens now.

Young Raymond Barsness and
wee Sharon have taken turns
spending a few days at their
grandparents.

We are sorry to hear that Billy
Dick has a broken arm.

Harry McGaffin, formerly of
this district, has been sent back
from exercise "Sweetbrier", to take
treatment for frostbitten lungs.

Mr. and Mrs. Bob Moore, Mr. and
Mrs. Alex Moore, Mr. and Mrs. J.H.
Cooper and Messrs. Glenn, James
and Keith Cooper all surprised
Mrs. J. A. Howton on Friday even-
ing, January 20, the occasion being
her birthday.

Sunday, January 22, Mr. and Mrs.
C.B. Moore, Mr. and Mrs. Robert
Moore, Gary and Monty, all of
Calgary visited Mr. and Mrs. J. A.
Howton.

Mr. B. Cooper of Foremost is
spending a few days with her
granddaughter, Mrs. G. Admussen,
of Bergen.

New Chev. On Display Now At Edford Motors

According to Ed Ford, proprietor of Edford Motors, Didsbury, the 1950 Chevrolet will be on display Wednesday, Thursday, Friday and Saturday, February 1, 2, 3 and 4, in the modern show room.

The model to be displayed will be the Fleetline Deluxe 2-Door Sedan, although 11 models are available, each featuring new carburetion, increased horsepower, stronger and safer body construction, new colors and new two-tone Fisher interiors in the deluxe models. All models have 115-inch wheelbase, and the new Chevrolets have been stepped up to 92 horsepower, and feature a new "power-jet" carburetor which eliminates the "lean" periods in gasoline feed and affords quicker warm-up in cold weather. The "power-jet" carburetor also ensures better performance at low speeds and on hills.

As in the past, Chevrolet for 1950 is available in two series, Styleline and Fleetline.

In body construction, box section roof rails have been introduced to replace channel sections. This re-

sults in increased body rigidity, added strength and greater safety for passengers. The radiator grille has been redesigned and bumper guards are higher and stronger.

Body interiors feature two complementary shades of grey used as a basic color theme. Simulated carpet rubber floor mats have been introduced into the rear compartments. Long-wearing and easy to clean, the new material closely resembles pile carpet.

A novel touch is the inclusion of a whistle on the gas tank vent pipe to warn of approaching over-flow.

Uncovering the Lost Centuries in London

An exhibition opened recently in historic Guildhall, London, throws much new light on the early centuries of Britain's capital. Much history of the Roman and Medieval times has been lost and the relics now being shown for the first time are, on that account, of particular interest. They have been excavated during the reconstruction of badly bombed portions in the City of London.

Aerial Coyote Hunt To Begin This Week

Alberta's aerial hunt for coyotes will get under way this week, provincial government officials announced recently.

Contracts have been signed with two pilots to handle the work. One of these will operate in the Red Deer Valley and Brooks districts, and the other in the Saskatchewan Valley near Wainwright. The area to be covered by the pilots was selected by the provincial Department of Agriculture.

One of the pilots will operate on a contract whereby he will receive about \$5 per coyote taken. The other will work on an hourly basis. Such contracts will allow the government officials to compare the cost on a one month trial basis.

U.S. TO BUILD GIANT LINER

Keel of a speedy new \$70,000,000 American luxury liner will be laid next month.

The United States Maritime Commission said construction on the 980-foot vessel the "United States"—largest ever built in this

country—will be started at Newport News, Va., on February 8th.

It will weigh 60,000 tons, compared with the 55,000-ton British "queens" but its speed is officially estimated at around 30 knots, will be somewhat higher.

The vessels actual speed is a military secret. While it is being built primarily as a 2,000-passenger liner for United States Lines Inc., it would be converted in time of war into a troopship carrying 12,000 men and capable of circling the globe without refueling.

MUST HAVE PERMIT TO EXPORT FURS

Officials of the Lands and Forests Department this week reminded residents of the province that certain fur products are being confiscated needlessly.

Shipment of such fur as weasel, skunk, coyote, badger, and other similar furs usually taken by farmers and young residents of the province are frequently being shipped to Regina and other places out of the province without export permits. When these furs are inspected by officials in Saskatchewan and found to be lacking the necessary export permits they are then shipped to the Alberta Government officials. The furs are then handled by the provincial authorities because they cannot be returned to their owners as there is no identification marks.

Government officials are anxious to inform all concerned that the required export permits may be obtained free of charge from any game officer, license vendor, or R.C.M.P. official.

Packers Guaranteed Floor Price on Eggs

OTTAWA.—Agricultural experts estimate that retail prices of eggs likely will climb five or six cents a dozen within the next few days as a result of the government's price-support program.

The program, outlined by Agriculture Minister at a press conference, guarantees packing plants and other cold storage operators 38 cents a dozen plus cost of storage on all unsold surplus eggs at the end of 1950.

The 38-cent price will be paid on all eggs stored as grade A large. Grade A medium eggs will get a guaranteed price of 36 cents a dozen.

Experts claim that the program will jack up the wholesale prices from the current low of 32 and 33 cents a dozen for grade A large to the guaranteed level of 38 cents.

In other words, if the wholesaler is unable to get 38c a dozen from the market, he'll merely put the eggs on storage and collect the 38 cents from the government at the end of the year. On top of that he will collect all storage costs.

Mr. Gardiner estimated that the cost of storage may amount to four or five cents a dozen, depending on the length and point of storage. That means packers or wholesalers may collect as much as 42 or 43 cents a dozen from the government at the end of the year.

As a result, retail prices for eggs, say the experts, will climb proportionately.

The farmer is expected to help the egg farmer, too. During the current egg price depression, he has been getting 16 and 24 cents a dozen from egg-grading stations.

Mr. Gardiner estimated that the price-support program will have the effect of nailing down a floor price for the producer of between 30 and 32 cents. However, there is no guarantee. Egg-grading stations are free to pay whatever will give them a reasonable profit.

EVANGELICAL CHURCH

HAROLD E. OKE

PHONE 10 — DIDSBURY

-: DISTRICT NEWS :-

BURNSIDE NEWS

Jake Penner, his brother, Abe, and Charlie Mardon had a difficult trip to the coal mine Wednesday, but returned with a truck load of coal.

Taylor Bros. truck backed down the hill at Sunnyslope last week and crashed into Barney Elliott's Chev. car which was parked in front of Mr. Milligan's place of business. The front of Mr. Elliott's car was badly damaged.

Ivor Weber made a hurried business trip to Calgary last Thursday, returning in the evening.

Abe Penner took in the Ice Cycles in Calgary on Friday.

Mrs. W. C. Ahlgren is a patient in the Olds hospital.

Otto Bittner and Walter McCulloch were Calgary visitors on Wednesday.

Correction — The Midway Community Curling Rink now has in play eight ladies' rinks and fourteen men's rinks, making 22 rinks in all that are curling regularly this winter at the new community curling rink.

The Central Alberta Dairy Pool at Neapolis is storing cheese in the Sunnyslope Cheese Factory.

Harold Thompson spent Saturday in Calgary.

Due to the severe cold weather many children have not been in regular attendance at the Burnside school.

BERGEN NOTES

The Ladies Aid held their first meeting of the year at the home of Mrs. D. Davidson with eight members present. Re-election of officers was postponed until next month when it is hoped that more members will be present.

Mrs. Dyck will be hostess at the next meeting on February 23.

Mrs. Charles Erickson has been very ill with the measles, and Mrs. Erling Erickson has been caring for little Gwen.

Dick Ladd has spent a few days in bed suffering from pleurisy.

The mercury hit 32 below here one morning last week, the third time it went below the -50 mark this month. Fred Thomassen reports that it has been as low as 60 degrees below zero at his place down on the river flat.

Mr. Frank Wilson, an elderly gentleman who lived alone near Sundre, was found dead in his dwelling. It is believed that he froze to death, although he may have first suffered a heart attack. He was found by a friend who visited him weekly with mail and groceries.

Bergen and Red Deer Valley schools played a hockey game against Sundre at Sundre last Saturday, and Sundre team won 7-4.

M.V.B.C. NEWS ITEMS

Open House at M.V.B.C.? Yes, that's it. On Friday, February 10, at 8 p.m., the dormitories and classrooms will be open to the public for the annual tour of inspection.

The program of the evening will follow this general procedure: Inspection of dormitories and classrooms, then attendance at feature entertainment such as music, pictures, speech, recitals, etc. These will be given simultaneously in different parts of the College, but will be repeated at stated intervals so that everyone may visit all of them during the course of the evening.

Not least among the items of interest will be the refreshments to be served in the College dining room.

We, the faculty and students of M.V.B.C., extend a cordial and hearty invitation to all our friends in Didsbury and surrounding district to visit us on this occasion.

Prof. Peter Waldin, Director of the Youth Fellowship of the Canadian Northwest Conference of the United Missionary Church, visited the McDougall Flats appointment over the week end. Mr. James Macdonald, '48, is pastor there. Mr. Waldin made the trip in the interests of Youth Fellowship. Prof. G.L. Richardson, director of music in M.V.B.C., and Ernie Neufeld, The Plate and Myron Tweed accompanied Mr. Waldin. They contributed greatly to the success of the good services with their musical features.

Mr. and Mrs. Jake Miller and the Misses Irene Megill and LaVerna Walz assisted the Rev. Merle Baker at Cremona in his Sunday services. Teaching Sunday school classes, preaching and singing affords our students excellent practical experience.

A Student's Voice:

The Worldwide Gospel Messengers, the missionary organization of M.V.B.C., is keenly desirous of promoting interest in home and foreign missions. All of the students may become members of the group, and as such pledge themselves to pray for the dire spiritual needs of the world.

Every Tuesday at 7 p.m. we meet in the College Chapel to pray definitely for missionaries. We also welcome missionaries on furlough and outgoing ones who bring us challenges from the various mission fields of the world. We believe a missionary vision is a "must" to every true Christian.

LOIS SALMON, W.G.M. Pres.

UNITED CHURCH SERVICES

Sunday services at the United Church will be held as follows: Didsbury, 11 a.m.—Church school for all ages. 7:45 p.m.: Evening worship conducted by the local Y.P.U., with Mr. Max Rae of Calgary as guest speaker, and special music. 9 p.m.—Weekly meeting of Y.P.U. with members of the Provincial Executive contributing to the program, and visitors from Olds and Carstairs.

Westcott, 11 a.m.—Morning Worship followed by Sunday School. Remember the Didsbury Congregational meeting on Friday, February 3rd, at 8 p.m.

Minister: Rev. J.W. Bainbridge, M.A., B.D.

—Don't forget the hockey game on Saturday, February 4, at 8:30 p.m. at the Didsbury Arena, when the Drumheller Miners will play the Didsbury Ramblers.

Dave Edwards, former blackman in this area for Massey Harris Co., and now with the firm at Toronto, visited in town for a short time Monday on his way to Edmonton. Dave is looking well and says there is no snow in Toronto, the grass is green, and temperatures have been in the sixties. However, he does admit that this warm weather in Toronto is unusual for this time of year. Mrs. Edwards and Bill are fine, and they all want to be remembered to their many friends in town and district.

WEDDINGS

NOVACLUS—RADFORD

Father Mein officiated at a wedding ceremony at his home in Olds at 11 o'clock on January 27, when Audrey Irene, only daughter of Mr. and Mrs. B. Radford of Didsbury, became the bride of Eugene William Novacluse, eldest son of Mr. and Mrs. William Novacluse of Didsbury.

The bride wore a long white satin gown with beaded yolk and fully pointed sleeves with shoulder-length veil held in place by a shoulder crown. She carried a bouquet of red roses.

The bride was attended by Miss Mary Ross of Olds, who wore a blue gown with matching veil. She carried a bouquet of pink carnations.

Mr. Boyd Radford, cousin of the bride, was best man.

A reception for relatives was held at the bride's home. The room was decorated in pink and white and a three-tiered wedding cake centred the bride's table. Mr. Preston Radford, uncle of the bride, proposed the toast, to which the groom duly responded.

Mr. Vern Wrigglesworth entertained the guests with a humorous monologue, and in the evening a wedding dance was held at the Westerdale hall.

After a short honeymoon in Edmonton the happy couple will reside at Redwater.

COW'S FALSE TEETH ILLEGAL

LONDON—Douglas Clay began a 12 months jail term after being convicted of fitting cows with false teeth and selling them to the Ministry of Food as huffers. He was also fined \$862.

ANNUAL SHARE SELLING CAMPAIGN

The Annual Finance Campaign in support of Christian Education activities locally, provincially and nationally, is scheduled for February 5-19. The campaign is sponsored by the Religious Education Council of Alberta, and is promoted locally by a committee of the local groups, meeting in Knox United Church.

Teen age girls and boys will do the actual canvassing and in so doing qualify to retain 20 per cent of all they collect for the support of their own group work. This is our opportunity as parents and all

interested in the vital importance of Christian Education through the Sunday Schools and mid-week group programs to support both the local boys' and girls' work and the Provincial Council.

Some of the services rendered by the Religious Education Council are Sunday school preacher training, conference and conventions, C.E.L.T. and Tulse leadership training and promotion, visual aids, assistance at summer camps, visits of field secretaries, free literature and lending library, and central supply depot.

When a boy or girl asks you to buy a share in support of this vital and urgent work, be as generous as possible.

Think This Over!

Competition now is between towns rather than individuals, with an automobile at every home and good roads in every direction. The man on the farm does not say to his family as they get ready for their regular trade trip: "Let's go to the Brown store, or the Green store, or the Blue store." He says: "Let's go to Square Town or Whoop City, or Welcome Centre."

And whether they go to one or the other of these towns will depend very largely upon the impression the family has received through the local newspaper. If the newspaper from one of these attractive towns comes to them every week filled with attractive advertisements in every line of merchandise, creating the impression that something is always going on in that town, there is where the family is going on its shopping expedition.

Forestry Parley Meets in Geneva

The leading forestry authorities of Europe recently concluded a series of discussions at Geneva to coordinate Europe's forestry policies and increase production of timber on an over-all basis. The meeting was sponsored by the Food and Agriculture Organization of the United Nations (FAO). Here, a Swiss Forestry Inspector explains the principles of forest conservation to a group of delegates.
